

VITA

Ron Prinz
Carolina Distinguished Professor, Department of Psychology
and
Director, Parenting & Family Research Center
University of South Carolina

Personal Information

Work address: Department of Psychology
University of South Carolina
Columbia, South Carolina 29208-0182

Telephone: Work 803.777.7143 FAX 803.777.5502
E-Mail: prinz@mailbox.sc.edu

Licensure: South Carolina, Clinical Psychologist (1978 to present)

Board Certification (ABBP): Clinical Child and Adolescent Psychology (2003 to present)

Education

1969-1971 University of California at Los Angeles
Los Angeles, California Major: Psychology
1972-1973 B.A. 1973, University of California at Berkeley
Berkeley, California Major: Psychology
1973-1977 Ph.D. 1977, State Univ. of New York at Stony Brook
Stony Brook, New York Major: Clinical Psychology
1976-1977 Pre-doctoral Internship in Clinical Psychology,
Sagamore Children's Psychiatric Center, Melville NY

Major Research Interests

Prevention Science and Child Clinical Psychology: child and family; prevention and intervention;
empirically based approaches to assessment and intervention
Specific topics: prevention of child maltreatment, conduct disorder, delinquency, early substance use,
and school failure; early family and school-based interventions, population-based parenting
intervention; substance abuse treatment with parents in the child welfare system

Honors

New Investigator Award, National Institute of Child Health & Human Development, 1982-85.
Outstanding Contributor to Psychology in 1985, S. C. Psychological Association
Fellow, American Psychological Association, 1987-present
Carolina Distinguished Professorship, 1987-present
Editor (with Tom Ollendick), *Advances in Clinical Child Psychology*, 1991-1998
Appointment to NIMH Grant Review Panel (Violence & Traumatic Stress), 1995-1999
Founding Editor (with Tom Ollendick), *Clinical Child and Family Psychology Review*, 1998-present
Russell Foundation Research Award, University of South Carolina, 2000
Multicultural Award, Department of Psychology, University of South Carolina, 2003
Honorary Professor, School of Psychology, University of Queensland, Brisbane Australia, 2009-2012,
reappointed 2012-2014
Breakthrough Leadership in Research Award, University of South Carolina, 2013

Employment and Administrative Positions

1977-1982	Assistant Professor, Department of Psychology, USC, Columbia SC
1982-1987	Associate Professor (Tenured), Department of Psychology, USC, Columbia, SC
1987-present	Professor, Department of Psychology, University of South Carolina, Columbia SC
2003-present	Director, USC Research Consortium on Children and Families
2006	Acting Director, USC Clinical-Community Doctoral Training Program
2008-present	Co-Director, USC Behavioral-Biomedical Interface Program
2009-present	Director, USC Parenting & Family Research Center

Extramural Grants (Funded)

Sucrose intake and nutritional effects on child behavior. National Institute of Child Health and Human Development, 1982-85, \$155,223. (Principal Investigator: R. Prinz).

Early intervention for antisocial behavior in children. National Institute of Mental Health, 1985-89, \$462,774. (Principal Investigator: R. Prinz).

Early family intervention for preventing aggressive outcomes in children. William T. Grant Foundation, 1985-88, \$120,814. (Principal Investigator: R. Prinz).

Early intervention for antisocial behavior in children. National Institute of Mental Health, 1989-92, \$811,104. (Principal Investigator: R. Prinz; Co-Principal Investigator: G. Miller).

Preventive interventions for serious conduct problems. National Institute of Mental Health, 1990-93, \$866,096. (Principal Investigator: R. Prinz).

Promoting prosocial child environments. Centers for Disease Control and Prevention, 1996-99, \$1,235,473; 1999-01, \$911,000. (Principal Investigator: R. Prinz; Collaborative Investigators: J. Dumas, E. Smith)

Risk reduction via promotion of youth development. NIH/National Institute of Mental Health, 1997-2002, \$5,200,000 (co-funded by NIDA and OJJDP). (Principal Investigator: R. Prinz; Collaborative Investigators: J. Dumas, E. Smith, & J. Laughlin)

Research supplement for underrepresented minorities. NIH/National Institute of Mental Health, 1998-2002, \$175,489. (Principal Investigator: R. Prinz)

Population-based system of parenting interventions. Centers for Disease Control and Prevention, 2002-08, \$7,900,000. (Principal Investigator: R. Prinz; Co-Principal Investigator: M. Sanders)

Risk reduction via promotion of youth development. NIH/National Institute of Mental Health, 2003-2009, \$4,807,517. (Principal Investigator: R. Prinz; Collaborative Investigators: J. Dumas, E. Smith, & D. Levine)

Media-based programming to enhance parenting. NIH/National Institute of Child Health & Human Development, 2004-2010, \$1,908,366. (Principal Investigator: R. Prinz)

Population-level parenting interventions to reduce prevalence of child abuse (translation research grant). Centers for Disease Control and Prevention, 2007-2010, \$1,349,857. (Principal Investigator: R. Prinz. Co-Principal Investigator: M. Sanders)

Biomedical-behavioral interface: Prevention and developmental sciences training [T32]. NIH/National Institute of General Medical Sciences, 2008-2013, \$1,090,000. (Principal Investigator: R. Prinz)

- Parental opinions survey. Annie E. Casey Foundation and Casey Family Programs, 2009, \$73,638. (Principal Investigator: R. Prinz)
- Supplement to biomedical-behavioral interface T32. NIH/National Institute of General Medical Sciences, 2009-2011, \$162,880. (Principal Investigator: R. Prinz)
- Creating the scientific infrastructure for the Promise Neighborhood Initiative. NIH/National Institute on Drug Abuse, \$308,880, 2009-2011 (Principal Investigator: R. Prinz; part of larger \$3.4M grant with PIs T. Biglan & B. Flay)
- Mediation in survival and onset-to-growth models applied to youth substance abuse onset. NIH/National Institute on Drug Abuse, \$1,084,575, 2011-2014 (Principal Investigator: A. Fairchild; Co-Investigator: R. Prinz)
- Fathering practices and positive development among African American adolescents. NIH/National Institute of Child Health & Human Development, \$145,000, 2012-2014 (Principal Investigator: S.M. Cooper; Co-Investigator: R. Prinz)
- Families improving together (FIT) for weight loss. NIH/National Institute of Child Health & Human Development, \$2,972,399, 2012-2017 (Principal Investigator: D.K. Wilson; Co-Investigator: R. Prinz)
- Long-term effects of population-based parenting interventions—Outcomes, costs and benefits. The Swedish Research Council, 3,373,937 euros, 2012-2017 (Principal Investigator: A. Sakardi; Co-investigator: R. Prinz)
- Concurrent treatment of substance abuse and child maltreatment. NIH/National Institute on Drug Abuse, \$3,172,422, 2012-2017 (Principal Investigator: R. Prinz)
- Biomedical-behavioral interface: Prevention and developmental sciences training [T32]. NIH/National Institute of General Medical Sciences, \$1,281,625, 2013-2018 (Principal Investigator: R. Prinz)
- PAX and Triple P randomized controlled trial. Alberta Health Ministry, \$2,650,000, 2013-2017 (Principal Investigators: D. Embry, R. Prinz; in collaboration with the Alberta Centre for Child, Family and Community Research)
- Online vs staff delivery: Child & family outcomes, value analysis and satisfaction. NIH/National Institute of Mental Health, \$3,414,845, 2013-2018 (Principal Investigator: R. Prinz)
- A selected prevention RCT to address parenting in a WIC population. Centers for Disease Control and Prevention, 2013-2016, \$1,185,000 (Principal Investigator: C. Taylor; Co-Investigator: R. Prinz)

Editorial and Grant Reviewing

Founding Editor (with Thomas Ollendick), *Clinical Child and Family Psychology Review*, 1998-present

Editorial board:

- Prevention Science (1998 - present)
- Journal of Family Psychology (2011 – present)
- Journal of Abnormal Child Psychology (1986-present)
- Journal of Clinical Child and Adolescent Psychology (1994-present)
- Behavioral Assessment (1987-1992)
- Child Psychiatry and Human Development (2001-present)

Reviewer: Journal of Consulting and Clinical Psychology American Psychologist
 Journal of Abnormal Psychology Child Development

Journal of Applied Behavior Analysis
Journal of Clinical Child Psychology
Journal of Pediatric Psychology
Cognitive Research and Therapy
Child Maltreatment

Cognitive Therapy & Research
Behavior Therapy

Invited Addresses, Keynote Addresses, and Colloquia

(November 1984). Associations between nutrition and behavior in five-year-old children. Invited conference presentation, Diet and behavior: A multidisciplinary evaluation. Sponsored by the American Medical Association, the Nutrition Foundation, and the International Life Sciences Institute, Arlington, Virginia.

(December 1985). Prevention of delinquent outcomes. Invited presentation, Public Safety Conference, sponsored by Governor's Office and the Division of Public Safety, Columbia SC.

(December 1986). Effects of television on child behavior. Invited presentation, South Carolina Youth Workers Association Conference, Charleston SC.

(March 1987). Invited speaker for Grand Rounds, Department of Psychiatry, Medical University of South Carolina, Charleston SC.

(March 1988). Guidelines in using mental health professionals in custody and child abuse cases. Judicial Continuing Legal Education Seminar, SC Bar Association, USC Law School, Columbia, SC.

(January 1990). Roles of mental health professionals in child custody cases. Invited presentation, Continuing Legal Education Seminar, SC Bar Association Mid-Year Meeting, Charleston, SC.

(January 1990). Featured guest, Newswatch. WIS TV.

(March 1990). Helping families with aggressive children and adolescents change. Invited workshop (co-presenters E. A. Blechman & J. E. Dumas) at the Banff XXII Conference on Aggression and Violence Throughout the Lifespan.

(October 1990). Invited colloquium, Department of Psychology, University of Western Ontario.

(June 1990). Fabrication vs. perversion: Sexual abuse in child custody cases. Invited presentation, South Carolina Bar Association, Myrtle Beach SC.

(May 1991). Treatment of conduct disorder. Invited presentation at a conference entitled Conduct Disorders: How Should Our Service Systems Respond? sponsored by the Research & Training Center for Children's Mental Health (Florida Mental Health Institute, University of South Florida), Arlington VA.

(April 1992). Psychological considerations in understanding and preventing juvenile delinquency. Judicial Continuing Legal Education Seminar. SC Bar Association, Columbia SC.

(July 1992). Psychological and medical issues of abuse; role of mental health professionals in court. Orientation School for Family Court Judges. South Carolina Court Administration, Columbia, SC.

(January 1993). Testimony and cross-examination of mental health experts. Continuing Legal Education Seminar. SC Bar Association, Charleston SC.

(September 1993). Prevention of substance abuse. Invited address. Institute of Psychiatry, Medical University of South Carolina Medical Center.

(March 1994). Parental engagement in interventions for children at risk for conduct disorder. Invited workshop, XXVI Banff International Conference on Behavioural Science. Prevention and early intervention: Childhood disorders, substance abuse, and delinquency.

(September 1994). Prevention of juvenile offending. Law Enforcement Seminar hosted by U.S. Attorney Pete Strom. Charleston SC.

(November 1995). Sexual abuse in child custody cases. Invited presentation, American Academy of Matrimonial Lawyers, Chicago.

(December 1996). Serving youth with multiple needs: Strategies for early intervention with children and families. Invited presentation, Office of Juvenile Justice and Delinquency Prevention National Conference (Juvenile Justice at the Crossroads), Baltimore MD.

(May 1998). Invited Colloquium: Prevention and Early Intervention. Grand Rounds, Center for Behavioral Health, CMC-Randolph, Charlotte NC.

(July 1998). Best practices in violence prevention. Invited Panelist, Centers for Disease Control and Prevention, Atlanta GA.

(September 1998). Invited Colloquium: The EARLY ALLIANCE Prevention Trial. Ramsey Distinguished Lecturer Series, University of Georgia, Athens GA.

(April 1999). Invited presenter. School Safety Strategic Planning Meeting. National Institute of Justice, Office of Juvenile Justice and Delinquency Prevention, National Institute of Mental Health, and U. S. Department of Education. Arlington, VA.

(July 1999). Invited Plenary Speaker: Research-based prevention of school violence: A developmental and educational perspective. Plenary session: School violence: An interdisciplinary approach to research based policy. National Institute of Justice's Annual Conference on Criminal Justice Research and Evaluation, Washington, D.C.

(July 1999). Invited panelist. People with mental disorders in the justice system: Strategies for building on what we know. Sponsored by the U.S. Department of Justice Office of Justice Programs and the Center for Mental Health Services. Washington, D.C.

(January 2000). Russell Award Colloquium. University of South Carolina.

(March 2002). Invited speaker. American Academy of Matrimonial Lawyers, Legal Education Conference, Fort Myers, Florida.

(March 2002). Invited colloquium. Pennsylvania State University.

(March 2003). Invited colloquium. Center for Family Research, Institute for Behavioral Research, University of Georgia.

(April 2004). Invited colloquium. State University of New York at Buffalo.

(April 2004). Invited presentation at Grand Rounds. School of Medicine, State University of New York at Buffalo.

(March 2005). Prevention of child maltreatment through population-level parenting interventions. Invited address at the Helping Families Change conference, Stoke-on-Trent, England.

(March 2006). Implementation of prevention at a population level: The U.S. Triple P System Population Trial. Colloquium presentation at the University of Melbourne, Melbourne, Australia.

(March 2006). Preventive intervention research with children and families. Colloquium presentation at Macquarie University, Sydney, Australia.

(May 2007). Grand Rounds, Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle WA.

(May 2007) Grand Rounds, Child and Adolescent Psychiatry, University of Washington, Seattle WA.

(October 2007). Invited address, Towards a public health paradigm for parenting interventions, prevention of child maltreatment, and promotion of child well-being. Community Prevention of Child Maltreatment Conference, Duke University, Durham NC.

(October 2007). Invited address, Dissemination of a multi-level evidence-based system of parenting interventions. *Consensus Meeting on Developing Guidelines for Best Practices on Mental Health Approaches in Child Welfare*. Alexandria, VA.

(January 2008). Featured Workshop. The Triple P system of parenting interventions (two-part workshop). *San Diego International Conference on Child and Family Maltreatment*, San Diego, CA.

(February 2008). Invited Address. Child maltreatment, child welfare, and a broader paradigm for parenting interventions. *Helping Families Change Conference*, Braunschweig, Germany.

(March 2008). Invited Address. Effective parenting interventions to prevention social, emotional and behavioral problems in children and enhance child well-being. *Banff XL International Conference on Behavioural Science*, Banff, Alberta, Canada.

(April 2008). National Webcast. The Triple P system of parenting interventions: A population approach to the prevention of child maltreatment. *ASTHO, NACCHD, and Injury Prevention Webcast Series: Preventing Child Maltreatment Through Strong, Safe, & Nurturing Family Relationships*. (Sponsored by CDC)

(May 2008). Invited Colloquium. A population approach to parenting interventions. Prevention Research Center, Arizona State University, Tempe AZ.

(June 2008). Invited Briefing. Efficiencies of a population approach to parenting intervention. *Briefing for government*, The Hague, The Netherlands.

(June 2008). Keynote Address. The cost effectiveness and future perspectives of population-wide parenting support. *2nd National Dutch Conference on Parenting Support*, Amsterdam, The Netherlands.

(July 2008). Invited Presentation. The Triple P system of parenting interventions. *Center for the Study of Social Policy*, Washington D.C.

(August 2008). Invited Grand Rounds Colloquium. Population-based parenting interventions to prevent child maltreatment as well as children's behavioral/emotional problems. *Psychiatry Department, Medical College of Georgia*, Augusta GA.

(February 2009). Invited webinar address. Population-based prevention of child maltreatment. National Public Health Information Coalition, Atlanta GA.

(April 2009). Invited presentation. Triple P and the child welfare system. *Helping Families Change Conference*, Toronto, Canada.

(May 2009). Invited address. A population/public-health approach to parenting and family support. Nemours Foundation, Wilmington, Delaware.

(June 2009). Invited address. Dissemination of an evidence-based system of parenting interventions: Creating efficiencies. Strengthening Early Childhood Mental Health Supports in the Child Welfare System, The National Center for Children in Poverty, Columbia University, New York City.

(July 2009). Invited colloquium. University of Queensland, Brisbane QLD, Australia.

(August 2009). Invited presentation. The Triple P system of parenting interventions. Briefing to the Director and the Executive Management Team, South Carolina Department of Social Services.

(November 2009). Keynote address. Reflections on how to get the most out of a population model of parenting and family support. *York-Simcoe Parenting Symposium: Refresh, Renew, Reaffirm*. Ontario, Canada.

(December 2009). Invited address. Triple P and the prevention of child maltreatment: The U.S. Triple P System Population Trial. Conference sponsored by the Alberta Center on Child, Family, and Community Research, Edmonton, Alberta, Canada.

(February 2010). Invited address, Policy Issues and Implications Associated with Population-Based Parenting Support. *Helping Families Change Conference*, Brisbane, Australia.

(April 2010). Invited briefing, Parenting and Family Support Aimed at Population Impact, State of Utah, Salt Lake City, UT.

(September 2010). Symposium presentation, Triple P in the area of child maltreatment. *International Society on Prevention of Child Abuse and Neglect*, Honolulu, Hawaii.

(October 2010). Invited advisory panelist (two-day panel), What Have We Learned From Research on Parenting Interventions. Health and Human Services Working Group, hosted by Administration of Children and Families and the Office of ASPE, Bethesda, MD.

(October 2010). Invited presentation to the World Health Organization working group on ICD-11 inclusion of relationship categories related to health, Ascona, Switzerland.

(November 2010). Invited briefing to Substance Abuse and Mental Health Services Administration (SAMHSA), Rockville MD.

(January 2011). Invited address: A population approach to prevention of child maltreatment via parenting and family support. Childhood Trauma Network, Zanvyl & Isabelle Krieger Fund, Baltimore, MD.

(January 2011). Invited briefing. A public health approach to parenting and family support: Challenges of a population strategy. Office of Planning, Research and Evaluation, Administration of Children and Families, U.S. Department of Health and Human Services, Washington, D.C.

(February 2011). Keynote address: Critical features of population-based prevention. Helping Families Change Conference, Antwerp, Belgium

(March, 2011). Invited address. Community-wide parenting and family support: Achieving multiple goals with a unified strategy. Community Leadership Council, Binghamton, NY.

(April 2011). Patricia F. Waller Annual Lecture. Embedding child-maltreatment prevention in a population approach to parenting and family support. University of North Carolina, Chapel Hill.

(June 2011). Featured speaker. NICHD/NIH Summer Institute. Bethesda, MD

(June 2011). Prinz, R.J., & Cuthbert, J. Symposium presentation. The impact of a media-based intervention on mothers, fathers and young children. Society for Prevention Research, Washington, D.C.

(August 2011). The intersection of implementation science with population-based strategies for parenting and family support. Global Implementation Conference, Washington, D.C.

(August 2011). Briefing to Oregon state government. A public health approach to family and parenting support: A systematic and cost effective strategy for preventing child abuse and foster-care placement. Salem, OR.

(August 2011). Invited colloquium. A public health approach to family and parenting support: Challenges of a population strategy. Oregon Research Institute, Eugene, OR.

(September 2011). Invited address. Issues in the prevention of neglect. 5th Annual Translational Research on Child Neglect Consortium (funded by NIH), University of Iowa.

(November 2011). Invited colloquium. Why take a population approach to parenting and family support? (Series on Evidence-based Practice for Children's Mental Health) University of Washington, Seattle WA.

(November 2011). Keynote address. For our children: A public health approach to supporting parents and family. CONAFE 4th National Convention for Promoters, Mexico City.

(March 2012). Invited address. A population approach to parenting and family support for the prevention of child injuries and maltreatment. Forum hosted by CDC and Casey Family Programs: Applying public health approaches to improve safety and reduce child fatalities.

(March 2012). Invited address. A population approach to parenting and family support for the prevention of child injuries and maltreatment. Forum hosted by CDC and Casey Family Programs: Applying public health approaches to improve safety and reduce child fatalities. Atlanta, GA.

(April, 2012). Keynote address. Population-wide approach to parenting support and child abuse prevention. Parenting and Family Well-Being Forum, Center for Parenting & Family Well-Being, Houston, TX.

(October, 2012). Grand rounds. East Carolina University School of Medicine, Greenville NC.

(November, 2012). Keynote address. A public health approach to parenting and family support: Blended prevention of child abuse and neglect. Institute of Child Health, London UK.

(November, 2012). Invited briefing to Commissioner Bryan Samuels and staff, Administration for Children and Families, Washington DC.

(December, 2012). Invited technical expert for working forum focused on reduction of child fatalities. Sponsored by Casey Family Programs, the Centers for Disease Control and Prevention, and the Administration for Children and Families, New Orleans LA.

(April 2013). Invited presentation, Transdisciplinary Translational Research Meeting, Sponsored by NIH and RTI, Chevy Chase MD.

(April 2013). Keynote address, Arizona Forum on Child Well-Being, Sponsored by Arizona State University and Arizona PBS, Phoenix AZ.

Conference Papers and Symposia

Prinz, R.J. (1974, August). An evaluation of patient delinquency in two health centers. Report presented to the Health Department, Suffolk County, New York.

Prinz, R.J. (1975, September). Peer evaluations of children vulnerable to psychopathology. In J. E. Rolf (Chair), *Children at environmental and genetic risks: New data and speculation*. Symposium presented at the meeting of the American Psychological Association, Chicago.

Prinz, R.J. (1976, September). Functioning at school: A cluster analysis of children at high and low risk for schizophrenia. In S. Weintraub (Chair), *Children of schizophrenic parents*. Symposium presented at the meeting of the American Psychological Association, Washington, D.C.

Prinz, R.J. (1977, May). Invited Workshop: Lesser known techniques in behavior modification: Shaping, modeling and behavior rehearsal. New York Department of Mental Hygiene Teacher's Conference Program, Melville, New York.

Prinz, R.J. (1977, December). Workshop: Parent-adolescent problem-solving and communication training. Presented at the meeting of the Association for Advancement of Behavior Therapy, Atlanta. (Co-leader with A. Robin and S. Foster).

Prinz, R.J. (1978, August). Assessment of parent-adolescent discord: Conflict, punishment, and control. In A. L. Robin (Chair), *Parent-adolescent conflict: Behavioral assessment and treatment*. Symposium conducted at the meeting of the American Psychological Association, Toronto, Canada.

Prinz, R.J. (1978, November). Comprehensive training for parents of autistic children: A controlled comparison study. Poster Session at the meeting of the Association for Advancement of Behavior Therapy, Chicago.

Prinz, R.J. (1980, April). Assessment of mother-adolescent conflict patterns: A descriptive and developmental analysis. Paper presentation at the Southeastern Conference on Human Development, Alexandria, Virginia. (With Steinfeld, Foster, Robin and Weiss).

Prinz, R. J. (1980, September). Unraveling the confounded dimensions of aggression and hyperactivity: A basis for subgrouping hyperactive children. In B. B. Lahey (Chair), *Is there an independent syndrome of hyperactivity in children?* Symposium conducted at the Annual Meeting of the American Psychological Association, Montreal, Canada.

Prinz, R. J. (1981, March). Chair, Clinically useful information about peer relations in childhood. Symposium presented at the Annual Meeting of the Southeastern Psychological Association, Atlanta.

Holden, E. W., Tarnowski, K., & Prinz, R. J. (1981, March). Testing for neurological soft signs in children. Paper presented at the Annual Meeting of the Southeastern Psychological Association, Atlanta.

Prinz, R. J. (1982, August). Differential characteristics for hyperactive children high and low on aggression. In W. E. Pelham (Chair), *Peer relations in hyperactive children: Diagnostic, symptomatic, and treatment considerations*. Symposium conducted at the Annual Meeting of the American Psychological Association, Los Angeles, California.

Prinz, R. J. (1982, November). Chair, Dialogue among parent trainers: Problems and practices beyond the reported literature. Symposium conducted at the Annual Meeting of the Association for

Advancement of Behavior Therapy, Los Angeles. (Symposium participants: Rex Forehand, Sharon Foster, Laura Schreiber, David Wolfe, and Robert Wahler).

Prinz, R. J., K. Oppenheimer, & Bella, B. (1983, August). Children of separating parents: They are not alike. In R. J. Prinz (Chair), Impact of marital events on children: Perceptions and consequences. Symposium conducted at the Annual Meeting of the American Psychological Association, Washington, D.C.

Oppenheimer, K. C., Bella, B. S., & Prinz, R. J. (1983, December). Functional behaviors for coping with marital separation: A comparison of distressed and nondistressed women. Poster session at the meeting of the Association for Advancement of Behavior Therapy and the World Congress on Behavior Therapy, Washington, D.C.

Riddle, D., & Prinz, R. J. (1984, August). Sucrose consumption in young children. Poster session at the annual meeting of the American Psychological Association, Toronto, Ontario.

Cantrell, V. L., & Prinz, R. J. (1984, November). Multiple perspectives of rejected, neglected, and accepted children: Relationship between sociometric status and behavioral characteristics. Poster session at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, Pennsylvania.

Prinz, R. J. (1985, April). Methodological issues in the study of dietary intake effects on attention, cognition, and activity level in children. In J. A. Goldman (Ch.), Food sensitivities and children: A review of current research. Symposium conducted at the Biennial Meeting of the Society for Research in Child Development, Toronto, Canada.

Prinz, R. J. (1985, November). Symposium discussant, Dropout and failure in behavioral family interventions: Methodological and clinical implications (Chair: J. Dumas). Association for Advancement of Behavior Therapy, Houston, Texas.

Prinz, R. J. (1985, November). Reasons for dropout from parent training and behavioral family therapy: A survey of clinical researchers. Presented at the Pre-AABT Conference on Social Learning and the Family, Houston, Texas.

Prinz, R. J., & Riddle, D. (1986, August). Diet-behavior research with children: Baseline associations among variables as a necessary foundation. In R. J. Prinz (Ch.), Advances in diet-behavior research with children and adults. Symposium conducted at the annual meeting of the American Psychological Association, Washington, D. C. (discussant: Bonnie Strickland).

Prinz, R. J. (1986, August). Treatment of stealing: Critical issues in family interventions. In S. Forman (Ch.), Assessment and intervention for preadolescent stealers. Symposium conducted at the annual meeting of the American Psychological Association, Washington, D. C.

Prinz, R. J., & Miller, G. (1986, November). Evaluating treatment fidelity for parent training. In J. Lutzker (Ch.), Quality control and accountability in professional training. Symposium conducted at the annual meeting of the Association for the Advancement of Behavior Therapy, Chicago, Illinois.

Prinz, R. J. (1987, April). A social learning approach to family treatment of young aggressive children. Symposium conducted at the annual meeting of the South Carolina Psychological Association, Myrtle Beach, South Carolina.

Prinz, R. J., & Miller, G. (1988, August). Family intervention for conduct-disordered children. In R. Abidin (Ch.), Behavioral approaches to childhood disorders. Symposium conducted at the annual meeting of the American Psychological Association, Atlanta, Georgia. (with G. Miller)

Miller, G., Ricker, J., & Prinz, R. J. (1988, November). Mother-child interaction in stealer and non-stealer aggressive boys. Poster presentation at the annual meeting of the Association for the Advancement of Behavior Therapy, New York.

Prinz, R. J., & Miller, G. (1988, November). Behavioral family treatment of conduct disorder: Learning from the dropouts. In R. J. Prinz (Ch.), *Advances in behavioral family therapy*. Symposium conducted at the annual meeting of the Association for the Advancement of Behavior Therapy, New York. (participants: B. Wahler, J. Reid, P. Chamberlain, A. Christensen, R. Forehand)

Prinz, R. J. (1991, November). Issues in the prevention of conduct disorder. Chair, invited panel discussion at the annual meeting of the Association for the Advancement of Behavior Therapy, New York (panelists: E. Blechman, J. Dumas, L. Eron, R. McMahon, J. Lochman).

Blechman, E. A., Prinz, R. J., Dumas, J. E., Gynther, L., & Culhane, S. E. (1992, June). The relationship between aggression, depression, and communication. Paper presented at the annual convention of the American Psychological Society, San Diego CA.

Lowell, E. S., Blechman, E. A., Dumas, J. E., & Prinz, R. J. (1993, June). The Communication Effectiveness Scale: A measure of communication competence in children. Paper presented at the convention of the American Psychological Society, Chicago IL.

Dumas, J. E., Prinz, R. J., & Blechman, E. A. (1993, June). An evaluation of peer coping-skills training for childhood aggression. Paper presented at the convention of the American Psychological Society, Chicago IL.

Blechman, E. A., Prinz, R. J., & Dumas, J. E. (1993, June). Peer coping-skills training. Paper presented at the convention of the American Psychological Society, Chicago IL.

Dumas, J. E., Dishion, T. J., Prinz, R. J., Blechman, E. A., & Hops, H. (1993, November). State of the art: Understanding, assessing, treating, and preventing conduct disorder. Panel discussion presented at the convention of the Association for the Advancement of Behavior Therapy, Atlanta GA.
